

Here are some comments from our last Franciscan Retreat.

---

*I really enjoyed hearing about Francis and his joy of falling in love with Christ*

*I thought all of the talks were excellent. The preachers are knowledgeable, have a great sense of humor, and present the material clearly.*

*I hope you will have this every year.*

*Thank you for a very restful and prayerful retreat!*

*I am in Secular Franciscan formation trying to discern if this is a vocation for me. This weekend has been wonderful, getting to know about St. Francis & his life of spirituality & humbleness...This weekend has been an eye opener, maybe I have discovered what is truly holding me back from desiring a closer relationship with Christ.*

*I really enjoyed this retreat...this is my first one. I found peace with this retreat.*

*I realized to follow St Francis is to follow Christ.*

*(The Healing Service) lifted me and made me feel the presence of God.*

## Franciscan Retreat

Join us to reflect on the life of Francis and what that tells us for living our Gospel life today. We will reflect on Francis' conversion and his spirituality – crib, cross & chalice. We will also study Francis the peacemaker, and Francis the man of prophetic joy.

Our time together includes Mass, healing and reconciliation service, availability of staff, five full meals, along with private room and bath. Talks will be given by Capuchin Retreat Preaching Staff. Enjoy the beauty of winter on 95 acres for reflection.

We invite you to spend a few days with us at this very unique retreat. The schedule is the same as our standard weekend retreat, beginning with registration 6:30-7:30 p.m. on Friday (Feb 24), and concluding with a full dinner on Sunday (Feb 26).

Requested Donation: \$160.

To register or for more information call Rose Ann Miller, Administrator, at 248 651-4826. We also invite you to view our website ([www.capretreat.org](http://www.capretreat.org)) to see our many other programs and opportunities for spiritual growth.
