## The Role of Clare of Assisi in Franciscan Spirituality

*Celebrating the 800<sup>th</sup> Anniversary of Clare's conversion in 1212, when she left her family home to follow Francis, we will introduce you to the life of Clare of Assisi. We will explore Clare as a medieval woman, a member of the Offreduccio family, a follower of Francis, an author, a spiritual friend and a Saint. Clare represents the feminine aspect of the Franciscan Charism and together with Francis points each of us to a deeper relationship with Jesus Christ.*
